This matter comes before the Public Service Commission of South Carolina ("Commission") by way of the request of Speer Virtual Media, Ltd. ("SVM" or the "Company") for an order canceling its Certificate of Public Convenience and Necessity. The Commission granted a Certificate of Public Convenience and Necessity to SVM authorizing the company to operate as a reseller of intrastate long distance telecommunications services in the State of South Carolina by Order No. 97-937 issued October 31, 1997.

The acting CFO of the Company, Kenneth Clinebell, filed with the Commission on July 31, 2001, a request for withdrawal of SVM's Certificate of Public Convenience and Necessity. SVM states that the Company ceased providing telecommunications services in South Carolina effective December 31, 2000.

Upon consideration of this matter, the Commission finds and concludes that the request of SVM to cancel its Certificate should be granted.
